

US Citizens (Drivers) entering Canada to Race at the Wolff Pack Run

US Customs in Sweetgrass, Montana said: “when crossing the border to simplify things a US resident should fill out a CBP 4455 Form which is a certificate of registration. This form can be found by going to www.cbp.gov. Click onto forms, search enter CBP 4455.

1. Copy down the serial # of the truck, trailer, race car and anything with a “distinct marking”.
2. Anything that will make a person question its belonging.
3. Things such as paper towels, pop, etc. do not need to be registered.

Note: When filling out this form, entering the US will be much easier, as your paper work is in place and done. The CBP 4455 form proves ownership of these items prior to entering Canada.
